HSC Chapter 6.95

This permit statement is issued based on submissions of annual fees, submission of an annual hazardous material inventory statement and annual hazardous waste generator statement and other program updates and/or paperwork compliance completed under penalty of perjury. Other permits may be required as indicated.

The following conditions apply:

1. All required inventory subject to disclosure requirements are to be reported according to established procedures. Business response plans, monitoring records, compliance records, etc. are to be located on-site and available for inspection.
2. The CUPA shall be notified and provided with updated information within 30 days of any one of the following events: a) a 100% or more increase in the quantity of a previously disclosed hazardous material; b) any handling of a previously undisclosed hazardous material subject to the inventory requirements; and c) change of business address, ownership or name.
3. This facility is to be maintained and operated in a safe manner at all times, to minimize the possibility of fire, explosion, or release of hazardous materials to air, soil, or surface water which could threaten human health or the environment.
4. Any threatened release, unauthorized release, spill, or overfill, etc. (as defined by HSC Chapters 6.5, 6.67, 6.7, 6.95) must be immediately reported to the CUPA (530-749-5450) and the business owner/operator must provide a followup report within 5 days. Releases are to be cleaned up immediately.
5. Facility inspections are to be conducted every three years (annually for UST facilities) for operational compliance.
6. Possession of this permit does NOT ascertain that the facility is in operational compliance or that submitted inventory is complete or accurate.

Notify the Department of Environmental Health of any change of operator, type of business activity, business name or billing address by calling 530-749-5450. Failure to notify the Department of Environmental Health of changes may result in late penalties, permit denial or revocation, and/or business closure. New owners or operators must apply and pay for a new permit prior to beginning operation, otherwise penalties will be assessed.

This permit may be suspended or revoked by the Health Officer for cause. This permit is granted on condition that the person named in the permit will comply with the laws, ordinance, regulations, that are now or may hereafter be in force by the United States Government, the State of California and the County of Yuba pertaining to the above mentioned business.

This permit is not transferable and becomes void upon sale or change of operator.

This permit is valid only for the above indicated entity, location, time period and type of facility.

It is the responsibility of the owner or operator to ensure that this permit is renewed prior to the expiration date.

THIS PERMIT SHALL BE DISPLAYED IN PUBLIC VIEW IN THE FACILITY
