Hello Mr. Pillsbury,

I m inquiring about the Director position that has been posted to our community page last night. I m a current resident that is registered to vote in Yuba County for the past 12 years. I m a veteran, have received my Bachelors Degree in 2020 from Chico State University, and have in the past attended Yuba College to achieve a EMT certification / fire courses while awaiting admission to CSU. I have also volunteered at the CDF Station in Dobbins handing out burn permits before it went digital. Please let me know if there is anything else you may need from me. Thank you for your consideration and time.

Best Regards,
Meghan Hill
